**Your Shipping Label (Air Waybill)**

Please find your Shipping Label for the above order attached.

1. Print **two copies** of your label(s). Securely attach one copy to your parcel and give one to the UPS driver upon collection.
2. Please use the label(s) we have provided to avoid any unwanted billing complications with UPS.

**Don't have a printer?** Please get in touch with us and we'll be happy to post your documentation to you.

You can access all order information and documentation via your [My Account](#) area on our website. You can track your parcel using your UPS Air Waybill number via our easy-to-use [tracking page](#).

You can calculate your estimated transit time by visiting our Transit Times page and entering your collection and delivery postcode into the [transit time calculator](#) tools for your carrier. Please note that transit times do not account for customs delays.

**SECURITY - Please note that your consignment may be subject to X-Ray and/or opened for inspection.**
